

**6th Annual Conference
of the Academy of Innovation and Entrepreneurship**

Innovation and Entrepreneurship for Inclusive and Sustainable Development

Oxford, United Kingdom
29-30 August 2013

Co-organised by
Technology and Management for Development (TMD) Centre, University of Oxford
National Entrepreneurship Research Centre, Tsinghua University
Research Centre for Technological Innovation, Tsinghua University

CALL FOR PAPERS

The 6th Annual Conference for the Academy of Innovation and Entrepreneurship (AIE 2013) will be held in Oxford, United Kingdom, on 29-30 August 2013. The Technology and Management for Development Centre based in the University of Oxford Department for International Development will host the event on the Oxford campus. The AIE Conference provides a broad platform to convene scholars from around the world to present research and to stimulate discussions on critical research issues and new developments in Innovation and Entrepreneurship. The main theme this year is 'Innovation and Entrepreneurship for Inclusive and Sustainable Development'.

Distinguished keynote speakers for the AIE 2013 include:

Anne Miroux (United Nations Conference on Trade and Development - UNCTAD)
Calestous Juma (Harvard University)
Luc Soete (Maastricht University and United Nations University)
Martin Bell (University of Sussex, Science and Technology Policy Research)
Xin Fang (Chinese Academy of Sciences)

Award and Publication

The conference committee will award one Best Paper prize sponsored by the *Journal of Chinese Entrepreneurship*.

Selected papers from the conference will be published in a special issue of a leading international journal, following anonymous peer review process. For those who are interested, their intention should be indicated in the cover page.

Paper submitted to the conference can also be considered for publication in *Oxford Development Studies*. Likewise, this should be indicated in the cover page of the submitted paper and the publication will follow normal peer review process.

Submission of Papers

Authors are invited to submit a full paper or an extended paper outline (2-4 pages) online at <http://www.aieconference.org> by 30 April 2013. Please submit the paper in electronic format (PDF files only). The files should be names as [last name_first name of the presenting author_AIE2013].

The conference will provide a reduced conference rate for PhD students. Papers submitted by PhD students should indicate this by adding [_PhD paper] to the file name. A letter from his/her PhD supervisor confirming the student's PhD status should also be included when register for the conference.

Papers will be selected by the Programme Committee consisting of a panel of international scholars. Authors will be informed by 30 May 2013 whether their papers are accepted. Full papers are required by 31 July 2013.

For more information visit: <http://www.aieconference.org>.

For general information please contact AIE Support at: aie@sem.tsinghua.edu.cn.
