

**Accepted papers for 6th Annual Conference of the Academy of Innovation and Entrepreneurship
(AIE 2013)**

Title	Authors	Affiliation
A closer look at firm level decision making in university industry relations: the case of pharmaceutical firms and universities in South Africa	Sechaba and Gillian Marcelle	Council for Scientific and Industrial Research
A hybrid R&D procurement model for neglected diseases	Brigitte Granville and Eshref Trushin	Durham University
Access to Critical Medicines: When are compulsory licenses effective in price negotiations?	Shyama V. Ramani and Eduardo Urias	UNU-MERIT
An Analysis of Current Research Profile of Indian Universities and Technical Institutions and Their IPRs Policies	Aakriti Jain and Ruchi Sharma	IIT Delhi
An Approach to Information Sharing Process on Socio-technical System Demonstration Test: Example of a Smart Grid System Demonstration Test in Japan	Youngjae Koh	Hirao School of Management
An exploratory cross-country analysis of the relationship between new firm entry and income inequality	Wong Poh Kam	Entrepreneurship Centre, National University of Singapore
An exploratory investigation of the internalisation strategies of French knowledge-intensive multinationals into Australia	Stephanie Cadeddu, Jerome Donovan and Eryadi Masli	Swinburne University of Technology
Analysis through patent data of technological strategies in climate friendly technologies	Gemma Duran Romero and Ana Urraca-Ruiz	UNIVERSITY AUTONOMA OF MADRID

Assessing Service Innovation Capabilities - An Empirically Grounded Approach	Carola Stryja, Marc Kohler and Hansjörg Fromm	Karlsruhe Institute of Technology
Barriers to Diffusion of Innovation in Low Income Countries (LICs): In-depth case study from Ghana	Giacomo Zanello	University of Oxford
Boundary Crossing Job Mobility New Product Area Entry and the Performance of Entrepreneurial Ventures	Gina Dokko and Geraldine Wu	UC Davis
Buddhist SMEs actions in response to competition: case of Thailand	Lavanchawee Sujarittanonta	Silpakorn University International College
Business Models and Marketing Practices of Internationalising Norwegian Maritime Firms: the framing effects of business service innovation	Jinmin Wang	The University of Nottingham
Case study: innovation in Philippine transnational corporations	Veredigna Ledda and Fatima del Prado	Philippine Institute for Development Studies
Certification of Venture Capital Reputation in Initial Public Offering of Entrepreneurial Firms	Zhijian Xu and Li Wang	Nanjing University
Chinese firms' intra-country joint venture in outward direct investment	Fu Qingfen	
Chinese Firms Strategic-Asset-Seeking OFDI In Developed Countries	Marnix Hoebert and Ying Zhang	Erasmus University
Chinese Organizations in Strategic Alliances for R&D Projects - Deliberated Entries in the Learning Network	Tariq H. Malik, Jiang Yun	Dongbei University of Finance & Economics
Chinese outbound mergers and acquisitions: an anatomy of domestic stakeholders and strategic actions	Zhe Sun and Tsvi Vinig	University of Amsterdam
Chinese outward investments to emerging markets. Evidence from Latin America	Gaston Fornes and Alan Butt Philip	University of Bristol
Climate Change Based Policy Rhetoric: Impact on Research and Industry-Science Collaboration in Energy Technologies	Piret Tõnurist and Kaija Valdmaa	Tallinn University of Technology
Coffee co-operatives in Malawi: building resilience through innovation	Alexander Borda-Rodriguez and Sara Vicari	The Open University, Development Policy and Practice
Complementarities between R&D Investment and Exporting -- Theory and Evidence from China	Fang Wang	Chinese Academy of Sciences
Conceptualising Inclusive Innovation: Modifying Systems of Innovation Frameworks to Understand Diffusion of New Technology to Low-Income Consumers	Richard Heeks and Christopher Foster	University of Manchester
Constructing a Ladder for Growth Policy, Markets, and Industrial	Eric Thun and Loren Brandt	

Upgrading in China		
Corporate entrepreneurship and firm innovativeness in polish SMEs	Bratnicka Katarzyna and Anna Kwiotkowska	Silesian University of Technology
Cotton ginning technologies in Uganda: the eastern type versus the western type	Botchie David	The Open University
Creating an Applications' Repository for Innovations in Kenya	Anne Salim and Rhoda Omenya	iHub Research
Determinants of shareholder value in Asia Pacific	Rebecca Lin	University of Macau
Developing capabilities in the seed industry: which direction to follow?	Anabel Marin, Lilia Strubrin and Patrick Van Zwanenberg	Cenit, University of Sussex, UK.
SME innovation characteristics and performance in a developing context Learning from Vietnam	Jan Vang and Nikita Baklanov	AALBORG University
Diffusion of innovations in conservation agriculture: a network approach	Julio Díaz-José, Roberto Rendón-Medel, Bram Govaerts	Cornell University- Chapingo University
Technology choices and growth: testing and expanding the propositions of new structural economics	Randolph Luca Bruno, Elodie Douarin, Julia Korosteleva and slavo radosevic	UCL, SSEES
Disruptions Driven by Business Model Innovations in China's Mobile Handset Industry: A Demand-Side Perspective	Hengyuan Zhu	Tsinghua University
Do resources flow to innovative firms? Evidence from firms in OECD countries	Dan Andrews, Chiara Criscuolo and Carlo Menon	OECD
Do the Firm Characteristics Matter Hidden Drivers for Eco-innovators	Serdal Ozusaglam	BETA
Does University Entrepreneurship Education Matter in China	TANG Mingfeng	Southwestern University of Finance and Economics
Dynamic R&D model for open innovation era	Xingkun Liang and Yongjiang Shi	University of Cambridge
Economic Transition And Regional Entrepreneurship Development In China	Ying Zhang and Andre van Stel	Erasmus University
Effects of Continuous Innovation as a Strategic Orientation on Success in SMEs	Irmak Erdogan and Ayse Burcin Erarslan	Bogazici University
Entrepreneurial dynamics and higher education institutions: evidence from the post-communist world	Julia Korosteleva and Maksim Belitski	UCL
Entrepreneurial Orientation and Network Ties: Analyzing the Innovative Performance of Firms in an Emerging-Economy SME Cluster	Theresia Gunawan, Jojo Jacob and Geert Duysters	UNU-Merit
Entrepreneurial subsidiaries' upgrading and lead companies'	Andrea Szalavetz	Research Centre of Economic and

responses: micro- and macro-perspectives of industrial upgrading		Regional Studies, Hungarian Academy of Sciences
Entrepreneurship Capital and Economic Performance in MENA region - Dynamic Panel Approach	Lassaad Jebali, Abir Mrabit and Abdirazak Ellouz	ISG of Tunis Tunisia
Establishing a Social Business Model for Sustainability Entrepreneurship: Stakeholder Collaboration for Green Innovation on Solar LED Lanterns	Masaru Yarime	University of Tokyo
EU Subsidiary Product Innovation in China: A Panel Study Analysis	Huifen Cai and Xiaolan Fu	Huddersfield University
Exploring the growth models of china's strategic emerging industry - electric vehicles	Feifan Chang, Yongjiang Shi and Mike Gregory	University of Cambridge
Factors affecting university-industry cooperation strategy - micro-level perspective of SMEs	Sigrid Rajalo	University of Tartu
Family Control and the Influence on Firm R&D Investment	Dong Jing, Yannan Gou and Tengdan Fu	Shanghai University of Finance and Economics
FDI and regional innovation capabilities in china: the moderating roles of industry diversity and specialization	Yuandi Wang, Lutao Ning, Martha Prevezer and Jian Li	Queen Mary, University of London
FDI, Technological Choices and Spillovers in an emerging market economy: A study of Indian manufacturing industries	Maitri Ghosh and Saikat Sinha Roy	Jadavpur University
Feeding green ideas: a portrait of risk finance in the cleantech sector	Chiara Criscuolo and Carlo Menon	OECD
Finance-entrepreneurial involvement nexus: unravelling the role of personal competences	Michael Adusei, Kwame Owusu Kwateng and Nehemia Uzera	Kwame Nkrumah University of Science and Technology
Entrepreneurial survival among immigrant Chinese and native individuals in Portugal	Miguel Amaral	IST, Technical University of Lisbon
From Green Policy to Results in Greece- The Response of Greek Firms to the National Call for Boosting Green Entrepreneurship	Maria Markatou and Yannis Stournaras	NATIONAL AND KAPODISTRIAN UNIVERSITY OF ATHENS
The Global product standardization and new product development in MNCs: three case studies	Yang Liu and Yongjiang Shi	University of Cambridge
Globalization, rise of biotechnology and knowledge dynamics in Agricultural innovation: a study of the diffusion of Bt technology in India	Michiko Iizuka and Ajay Thutupalli	UNU-MERIT, Maastricht
Green Entrepreneurship The Missing Link Towards a Greener	Sule Akkoyunlu	WTI

Economy		
Growth Expectations of an Entrepreneur in Sub-Saharan Africa	Rebecca Namatovu, Monica Jamali and Samuel Akomea	Makerere University Business School
Harnessing stakeholder strengths to scale inclusive business - lessons from emerging markets	Raghav Manohar Narsalay, Ryan Coffey and Leandro Pongeluppe	Accenture Institute for High Performance
How social entrepreneurs conceptualize innovation -- the case of frugal innovation.	Yasser Bhatti	Said Business School
How venture capitalists foster or destroy relational rents - the entrepreneurs perspective	Steven White and Steven White	Tsinghua University
Human capital and survival of small scale food processing firms under economic crisis in central java Indonesia	Palmarudi Mappigau ,Ir,SU and Agussalim M, SE,MSi	Hasanuddin University
Impacts of Innovative Institution on Technology and Entrepreneurship in the Context of Sustainable Development in Rural China -What are Lessons for Africa	Lei Sun	College of Economics and Management
Inclusive Development: A Transaction Cost Approach	Yan Bin, Sean Hansen, Manlu Liu and Xiaobo Wu	School of management
India and China as the preferred biopharmaceutical investment destination choice for the western Multinationals in changed patent regime	Rakhi Rashmi	Williams College
Indicators for Measuring Knowledge Transfer Activities from University to Society - Theory and Practice	Naubahar Sharif	Hong Kong University of Science and Technology
Indigenous Innovation Capabilities, Industrial Upgrade in China: Evidence from Guangdong Province	Jinghua Xu	South China Normal University
Upgrading of EMNEs' acquire subsidiaries in developed countries: an unintended consequence of asset - seeking OFDI ?	Shaowei He	University of Northampton
In-house R&D and External Knowledge Acquisition – What Makes Chinese Firms Productive	P. Boeing, Elisabeth Muller and Sandner	Frankfurt School of Finance & Management
Innovation and Inclusive Development	Caroline Paunov	OECD
Innovation and survival of new firms in Chinese manufacturing, 2000-2006	Mingqian Zhang and Pierre Mohnen	Maastricht University/UNU-MERIT
Innovation by Firms in High and Medium-High Technology Industries: An India Experience	Sharma Ruchi and Mr. Sunil Kumar	IIT Delhi
Innovation Capability Assessment Model (I-CAM) –An integrated perspective on Innovation Maturity in Business Organizations	Gautam Kr. Borah	Vodafone India

Innovation Consumption	Babak Somekh	University of Haifa
Innovation input innovation output and firm performance	Esubalew Tiruneh	University of Trento
Innovation obstacles: evidence from eastern European and central Asian countries	Jun Hou	UNU-MERIT
Innovation Required for Automotive Technology in China	Christopher Atkinson	Lawrence Technical University
Innovation, Emerging Market Firms, and the Quest for Global Competitiveness – Evidence from Technology-Intensive, Long-Product Lifecycle Industries in China	Marc Szepan	University of Oxford
Innovations to Make Business Work for the Poor: Evidence from Inclusive Business Initiatives	Shuan SadreGhazi	United Nations University (UNU-MERIT)
Institutional cooperation of Polish manufacturing enterprises. Determinants and impact on innovation performance	Malgorzata Lewando	Warsaw School of Economics
Intellectual Property Rights Distance from the Frontier and Innovation	Antonio Della Malva and Enrico Santarelli	KU Leuven
International Comparison and Its Enlightenment in the Promotion of Enterprise Continuous Innovation Power in Globalization	Ni Feng and Chen Wenhua	Innovative Startup Education Center
International Knowledge Spillovers and Entrepreneurial Opportunities – A study of Chinese Returnees	Daomi Lin, Jiangyong Lu	Guanghua School of Management
International Small and Medium Sized Enterprises Meet National Innovation Systems: Comparing Foreign Nanotechnology Patents By Developed and Emerging Countries	Ahmad Barirani and Philip Shapira	University
Is GM cotton good for all or only some farmers? A look into impact heterogeneity and micro behavior of cotton farmers in India	Shyama Ramani, Ajay Thutupalli and Mhamed-Ali El-Aroui	UNU-MERIT, Maastricht
Is their knowledge valuable to bring us newness? Effects of using assemblers' knowledge in parts suppliers' different inventions	Yan Lin and Jian Chen	Dalian Maritime University
Is there a vicious circle in Muslim world? Trade competitiveness and investment strategies	Muhammad Ayub Khan Mehar	SAARC Chamber of Commerce and Industry
Knowledge Policies for an Inclusive Development: Lessons from Uruguay	Santiago Alzugaray Ribeiro, María Goñi, Leticia Mederos and Sofía Robaina	Universidad de la República, Uruguay
Knowledge transfer within clusters: a social network perspective	Cintia Kulzer Sacilotto	University of Oxford
Learning by Building: Complementary Assets and the Migration of Capabilities in U.S. Innovative Firms	Hiram M. Samel, Elizabeth B. Reynolds and Joyce Lawrence	Massachusetts Institute of Technology
The Moderating Effects of Entrepreneurial Support Policies on	Shengliang Deng, Li Cai	Brock University

Market Orientation and Technological Innovation Evidence from Chinese New Firms		
Market Size, Economic Freedom, and Entrepreneurial Activity: Recent Global Evidence	Xianzhong Yi and Xiaolan Fu	University of Oxford
Measuring social innovation: a conceptual and methodological framework for impact assessment of eInclusion intermediary actors in Europe	Gianluca Misuraca, Alberto Savoldelli and Cristina Torrecillas	European Commission, JRC-IPTS
MIRACLES! Innovation in India's informal economy	Barbara Harriss-White and Rodrigo Gilbert	OXFORD UNIVERSITY
Mode of Extraction -Technology Transfer Spillovers and FDI Policy	Nahom Tesfay and Motchenkova, Evgenia	VU University Amsterdam
Multinational Corporations as Channels for International Technology Transfer: Evidence from the South African Innovation Survey	Nazeem Mustapha and Pedro Mendi	Human Sciences Research Council
LESSONS LEARNED FROM THE NATIONAL INSTITUTES OF HEALTH OXFORD CAMBRIDGE PROGRAM FOR FORMING AND MAINTAINING INTERNATIONAL COLLABORATION	Michael Tee, Sana F Fathima, David B Bluemke and J Alison Noble	Oxford
New Product Performance and Exploratory and Exploitative Innovation in Technology Ventures The Moderating Role of R&D-Marketing Relationship	Huanji Wang and Jizhen Li	
The funding of new technology firms in an emerging renewable energy industry – the role of smart capital	Oyvind Bjorgum and Roger Sørheim	Norwegian University of Science and Technology
NSI to IDS - From the National System of Innovation to an African National Innovation and Development System (IDS)	Mammo Muchie	Tshwane University of Technology, Pretoria, South Africa
On Entrepreneurship of Contemporary China: A Perspective of Aesthetics	Li Ding	CPC School of Sichuan
Open innovation implementation through open innovation communities: the case of Starbucks	I. Rufo, Ma del Rocío and S. Toral	University of Seville
Open Source, Open Innovation and Innovative Business Model: An Exploratory Study of Linux in the Software Industry	Yue Xu (Tina Xu) and Gao Yunning	
Opening the Doors to Innovation in Central America: Empowering the most marginalized to address their development challenges through participatory research	Joanna Kocsis	Independent Consultant
OTC stock market in china – the new venture capital exit	Jing Li	Tilburg University

Overseas operations acquisition experience and performance	Wanqiu Wang	
Patent Club Convergence Among Countries	Daneil Benoliel	Assistant Professor
Peer to peer lending: New technology, same old story?	Reabetswe Kgoroadira	Cranfield University
Personality Team Goals and Tacit Knowledge Sharing Performance within University Research Team	Shi Qinfen and Yu Yu	Hehai University
Policy Dynamics and Institutional Dysfunctions in Public Agricultural Research and Innovation	George Owusu Essegbey	Science and Technology Policy Research Institute
Post-innovation entrepreneurial challenges - a study of Indian rural innovators	Vimal Babu	IIMT-OXFORD BROOKES UNIVERSITY (U.K) GURGAON, INDIA
Product Development Partnerships for neglected diseases: Exploring a new model of pharmaceutical R&D	Viviana Munoz, Fabiana Visentin, Dominique Foray and Patrick Gaul	EPFL
Promoting traditional textiles from west African rural communities through collaborative intellectual property models	Helen Chuma-Okoro	Nigerian Institute of Advanced Legal Studies
Public Research Institutes and National Innovation System: Empirical Evidence for Singapore	Sarah Cheah and Tatiana Zalan	ETPL
Publicly funded university based research projects: the diverging influence of project characteristics on soft and hard outcomes	Peter Teirlinck and Andre Spithoven	Hogeschool-Universiteit Brussel - KULeuven
R&D cyclicality and credit constraints: Comparative micro-evidence from 10 new EU members and two data sources	Kadri Männasoo and Jaanika Meriküll	Faculty of Economics and Business Administration, University of Tartu
Research on Chinese business service industry from the perspective of industry classification standard	Xiaoyan Guan	Jiangxi Normal University
Research on incubation efficiency evaluation of university science and technology park based on the perspective of industrial clusters	Zhong Wang and Yu Liao	Hunan University
Inclusive Innovation Definition Conceptualisation and Future Research Priorities	Richard Heeks, Mirta Amalia, Robert Kintu and Nishant Shah	University of Manchester
Sate of the art in entrepreneurship development	Alimohammad Aghazamani	PEYMAN GOSTARAN SEPEHR CO
Signaling Legitimacy to Foreign Investors: Evidence from Chinese IPOs on U.S. Markets	Xu Jin, Donald Patton and Martin Kenney	Central University of Finance and Economics
Sino-Foreign University Alliance and it Implication - An Analysis of Organizational Reputation Development	Tariq H. Malik	Dongbei University of Finance & Economics
Six methodological guidelines for organizing inclusive innovation in bop projects	Jenny de Boer, Marc Steen and Bineke Posthumus	TNO

Slow Movement? On the role of incumbents in technology niches - an evolutionary network analysis	Roman Jurowetzki and Daniel S. Hain	Aalborg University
SMEs and the necessitating environment for entrepreneurship development: the case of the transitional economy in Vietnam	Quan Anh Nguyen and Gillian Sullivan Mort	La Trobe University
Social capital, firms creation and cluster emergence of the Chilean biomedicine sector	Carmen Contreras Romero	Department of International Development, University of Oxford
Social capital, knowledge strategy, and new venture performance: Evidence from graduate entrepreneurial ventures in China	Jun Li and Wenhe Gao	University of Essex
Social innovation at the base of the pyramid: lessons from Africa	Stefanie Beninger, Sudheer Gupta and Jai Ganesh	Simon Fraser University
Spatial-temporal evolution analysis of technological innovation cluster in china	Dong Chao, Li Zhengfeng and Rodolfo	Tsinghua University
Strategic framework for social and economic viability in inclusive innovation projects	Jenny de Boer and Chantal Stroek	TNO
Strategic management of innovation in manufacturing SMEs exploring the predictive validity of strategy-innovation relationship	Philippe Chereau	SKEMA Business School
Structural versus organizational factors influencing the propensity of firms to collaborate with universities	Ho Yuen Ping, Wong Poh Kam and Annette Singh	Entrepreneurship Centre, National University of Singapore
Study on the Effect of Transnational Corporation's R&D Investment on NIS in China	Huiqun Liu	Tianjin University of Commerce
Studying the perception of bankers towards frugal innovations for building an inclusive financial ecosystem	Disha Bhanot, Varadraj Bapat and Gautham Vasireddy	IIT Bombay
Stumbling Blocks of Born Globals	Peter G. Harboe	VIA University College
Sustainable Value Creation and Internationalization through Base of Pyramid Market (BoP) Ventures for Inclusive Entrepreneurship	Sulaman Hafeez Siddiqui, Thong Pui Pui, Sarath WSB Dasanayaka and Yew Chi Ting	The Islamia University of Bahawalpur
Technology frontier on bioenergy: analysis of two networks of innovation	Maria Ester, Silveira Jose Maria and Masago, Fabio Kenji	University of Campinas
Technology Licensing and Innovation Performance: Evidence from Chinese Latecomers in High-tech Industries	Yang Yang Zhao, Poh Kam Wong, Annapoornima M. Subramanian and Chang Chieh Hang	National University of Singapore
Technology sources, institutional environments and innovation performance of technological acquisition	Zhongjuan Sun	Tsinghua University and University of Oxford
Technology spillovers from foreign direct investment in Kenya and Malaysia	Bethuel Kinyanjui Kinuthia	University of Nairobi, School of Economics

Technology transfer through face-to-face contacts to LAO PDR from its neighboring developing countries	Yasushi Ueki, Tomohiro Machikita and Xaysomphet Norasingh	Institute of Developing Economies
Thanks, but no thanks: companies' response to R&D tax credits	Stijn Kelchtermans, Daniel Neicu and Peter Teirlinck	Hogeschool-Universiteit Brussel
The Brazilian bio-energy program (BIOEN): bioethanol transgenic plants innovation networks	Maria Ester Dalpoz, Silveira, Jose Maria	University of Campinas
The Effects of Corporate Governance on the Innovation Performance of Chinese SMEs	Yao Tang, Daniel Shapiro, Miaojun Wang and Weiying Zhang	Department of Economics
The formation of internal innovation capability and external sources in ASEAN economies	Masatsugu Tsuji, Hiroki Idota and Yasushi Ueki	University of Hyogo
The Impact of Client Coproduction on Service Innovation Performance	Zhaoxia Xu and Xu Huang	Southwestern University of Economics and Finance
The impact of global collaboration in MNE patenting from emerging economies	Tufool Alnuaimi	Brunel University
The impact of international collaboration between BIC EMNS and EU: A patent data assessment	Elisa Giuliani, Arianna Martinelli	Scuola Superiore Sant'Anna
The influence of public policies on Chinese SMEs' international expansion	Guillermo Cardoza, Gaston Fornes, Ning Xu and Song Xu	University of Bristol
The Influence of Scientific Research Funding, National Innovation Policies and Institution-Level Supports on Academic Patenting in the Republic of Ireland	Martin Ryan and Martin Ryan	National University of Ireland, Galway
The international patent propensity divide	Daniel Benoliel	University of Haifa Faculty of Law
The nature of innovation channels at the micro-level: evidence from Russian manufacturing firms	Yuri Simachev, Yuri Simachev, Mikhail Kuzyk and Vera Feygina	Interdepartmental Analytical Center
The Radical Innovation Investment Decision Refined	Wim Naude, Natasa Bilicic and Thomas Gries	Wim Naude
The Relation between Private Economic Activity and Conflict. Evidence from an Afghan Geographic Pseudo-Panel	Tommaso Ciarli, Carlo Menon and Chiara Kofol	University of Sussex
The relation between technology structures and innovation types in convergence-innovation	Ping Li and Yang Fengxian	Renmin University
The Research on Connotation and Measurement of Technology innovation capability of city	Xing Jingli, Zhongliang Zhang and Jay Mitra	Renmin University of China
The Risks of Innovation: Are Innovating Firms Less Likely to Die?	Caroline Paunov and Ana M. Fernandes	OECD
The Role of Government, Universities, and Business in Advancing	Fourry Handoko, Alan Smith and Colin Burvill	National Institute of Technology,

Technology for SMEs' Innovativeness		Malang, Indonesia
The study on the electronic business model innovation mechanism in China—Based on the case study of Taobao	Xie Wei and Nana Zhang	Tsinghua University
The Sustainable (Eco) Innovation Output in the OECD area-Analysis Based on Patent Data at Country Level	Maria Markatou and Yeorgios Stamboulis	NATIONAL AND KAPODISTRIAN UNIVERSITY OF ATHENS
The two worlds of humanitarian innovation	Louise Bloom	University of Oxford
Understanding EcoInnovation Evolution A Patent Analysis in the Energy Field	Vito Albino, Lorenzo Ardito, Rosa Maria Dangelico and Antonio Messeni Petruzzelli	Politecnico di Bari
Upgrading Under Volatility	Hiram M. Samel	Massachusetts Institute of Technology
Venture Capital and Regional Innovation in an Emerging Market	Jie Chen, Victor Zitian Chen and Sunny Li Sun	UNC Charlotte; Columbia University
Walking the Tight Rope of Tillage Technology Choice: The Peasant's Dilemma in the Ubaruku Village of Tanzania	Andrew Agyei-Holmes	Open University, The
What can be learnt from the performance of migrant entrepreneurs? The case of Indian migrant enterprises in the informal economy of Uganda	Sarah Linde	GIGA
The impact of knowledge structure on academic patents value Evidence from the Max Planck Society	Chen Daihuan, Yibing Duan and Ziyang Pan	Institute of Policy and Management, Chinese Academy of Sciences
Which factors determine the upgrading of small and medium-sized enterprises (SMEs)?	Loewe Markus, Hampel-Milagrosa Aimée and Reeg Caroline	German Development Institute / Deutsches Institut für Entwicklungspolitik (DIE)
Why Industrial Clusters Could Incubate Entrepreneurs? : Empirical Research on the Relationship between Agglomeration Effect and Entrepreneurial Intention	Ying Tian, Bei Hu and Zilong Chen	Huazhong University of Science and Technology
